ABOUT US

We are Aagman Overseas. Your one-stop-shop to study abroad. We don't just advise, we make sure we chase your dreams. We have managed to achieve and create a strong student network of worldwide within just few years of sheer hard work and dedication. From a small team of just 4 which started in a tiny office in Mumbai, to a devoted, ever growing team in 2 offices that we have across Mumbai and Gujrat, our journey has been nothing less than epic!

We strongly believe that you get only one chance to make that first impression and we work towards your applications with this thought process. We strive to deliver quality and honesty and for us, success is measured by the number of positive responses we get, and not by the bottom line.

it's all starts with education

We also completely disbelieve in the theory of 'settling' for something and hence persistently hunt for ways to make every student's journey at Aagman Overseas smooth sailing. With our team bursting with passion and experience, and many of them having studied and worked abroad, we thrive on making sure you land up in the best place.

We are driven by a genuine commitment towards success of each of our student and our existence and growth revolves around their growth. Everyday we roll up our sleeves to ensure that you get the most hassle free and personalized experience at such a compelling decision making time! We make your journey as great as your destination.

FAVOURITE DESTINATION

Choose Your Study Abroad Destination!

Well, Study in Australia is the dream of youngsters because of its natural heritage and its beauty. Australia is a country with surprises where you can get the best lifestyle and education as well. Education in Australia is considered to be the best for international students in terms of quality and educational systems. Australia is a country full of unique creatures and endless beaches. There are many world-leading universities in Australia where foreign students are welcomed by open arms. Australia is the country that allows students from different parts of the world to mix up with their diverse culture and heritage. Also, they are well known for respecting and following the international diversities.

Study abroad is the dream of many students and some students don't even get the chance to chase their dream because of no proper guidance and there you have smart study with you. We are the best overseas consultants in Ludhiana with a great track record to serve the students with the proper counseling and sufficient resources to chase their dream of studying abroad. When it comes to studying abroad the first country that comes in our mind is always Canada

Canada is the most preferable country for students to study abroad for many reasons. No wonder that Canada is the world's leading destination for foreign students with more than 200k arrivals in a year. Canada is preferred by most of the students because of high-quality education. Also, there is a fact that Canada has a total of 26 prestige universities that have been listed in the world's leading universities in the year 2016-17. Also with the 3 intakes in a year (January, May, and September), it is convenient to move to Canada.
